- i. All valid online entries will be first selected by Mondelez through an Execution Partner through a random draw of lots which will be classified as the **Longlist Entries**.
- ii. All Longlist Entries will further be shortlisted to a shortlist number of 100 entries by an Execution Partner on the basis of Your combination of ingredients and Your inspiration story submitted with Yourentry only which will be classified as '**Shortlisted Entries**'.
- iii. All valid Shortlisted Entries will be reviewed by a separate panel of judges to select top five (5) entries as the '**Finalists**'. **In this Campaign, the Finalists will be the Participant and their co creator for each entry which has been selected as a Finalist.**
- iv. The Finalists entries will be selected by the judges on the basis of following criteria-
Taste – The judging panel will review the mix of ingredients to decide whether the bar offers an interesting, realistic, enjoyable and delicious taste that would be of appeal to a mass market within India. It will also be judged on whether the taste feels significantly different to a bar on the shelves of India supermarkets at the moment and whether there is a gap in the market to launch this specific bar.

Creativity – The judging panel will review the name of the bar suggested by Participant and inspiration behind the entry to look at the entry in its entirety and to evaluate whether it provides an interesting and emotive reason for the bar to be created. As there may be a number of entries featuring the same ingredient, these elements are crucial to differentiating the bar from others and understanding the unique nature of the entry.

Feasibility for Commercial Production – Based on a Participant's entry Mondelez shall take into consideration the commercial, quality and regulatory feasibility of manufacturing such a product for the Indian market, for a limited edition offer or otherwise.

For the avoidance of doubt, any product which is manufactured/produced for the purpose of subjecting the sample to be tasted as mentioned in this section, shall be manufactured/produced by Mondelez only or at a nominated third party identified by Mondelez exclusively. Mondelez shall not be required to take into consideration any sample which is produced by any third party as suggested by a Participant, or which has been manufactured/produced by a Participant. Mondelez shall apply its own techniques, formulae and recipe to produce a sample as per the recommendation of ingredients conceptualised by the Participant.

- v. The top five (5) Finalists will be notified and published on Mondelez Website and/or Our social media channels not later than 01st April 2023. Moreover, Finalists shall take note of the following:

Mondelez may reach out to the top five (5) Finalists as mentioned above during the period between 1st March, 2023 – 1st April, 2023. Finalists will need to be available for one day to take part in promotional activity during the period between 1st March, 2023 – 1st April, 2023 including photography and shooting with their final bar, media interviews and content for social media channels. Finalists must follow all reasonable instructions provided by Us in relation to promotional activity. Mondelez shall have the right to use any such photos, videos, interviews or any other content generated as part of this activity involving the Finalist for any promotional or commercial purpose. In this regard, the Finalist shall sign any consent form or other procedural documents in favour of Mondelez as required or requested by Mondelez.

vi. **Important information:**

- a) Subject to clause (iv) under the Selection and Judging Criteria Mondelez will aim to, as far as possible, create the end product (which is the bar of chocolate) for Finalists as per their entry. However, it may not be possible for all the ingredients to be used or used in combination with each other. In some cases, a flavouring might need be used in replacement of the ingredient itself.
- b) Due to the nature of Mondelez's manufacturing processes and potential procurement restraints, it may not be feasible to produce Participant's bar exactly as submitted by them. The bar concept submitted is for the purpose of entering the promotion and is for ideation purpose only, and may not be the bar that is produced if picked as a Finalist. Whilst Mondelez will work with the Finalists and the winner to create the bar as close as possible to their entry, this may not always be possible and ultimately, Mondelez will have the final say as to the bar which is created and the ingredients within it
- c) This Campaign has been created solely for the purposes of consumer engagement and to give consumers a chance to be part of our manufacturing journey. This Campaign is not intended to be a dating or matrimonial matching platform of any kind and any interactions between the Participants outside of the entry submission shall be at their sole risk and discretion.
